Individual Attendance Awards Term Three
We started the new term with an assembly to acknowledge outstanding attendance during Term Three. Certificates were presented to students with no more than two whole or two partial days or one whole day and one partial day absence over the ten weeks. These students had their name put into a draw for an iPod Shuffle. Sefina Iakopo from 5/6F was the winner of the iPod. Congratulations Sefina Iakopo and enjoy listening to your iPod.

Kindergarten Transition

This week we had our first transition session which was very successful. It was lovely to meet the children who will be starting school at Noumea next year. The boys and girls (and some mum and dad’s too!) had fun and are looking forward to coming again next week.

From next week sessions will begin at 9:00am and run until 11:00am. We will be having morning tea and ask that students bring something to eat and drink with them.

Our parent sessions will also be starting next week and we look forward to seeing them there.

We are still taking enrolments for Kindergarten 2015. If you have a child, or a friend who has a child, who turns five before the 31 July 2015 now is the time to enrol. Contact the office for an enrolment form. Enrolment forms must be completed for children to participate in our transition program.

Stage 3 Camp - Canberra

Stage 3 students attended our Nation’s Capital visiting attractions including The War Memorial and Parliament House and then visited the snow on a camp that many of them will remember for many years. Students attending the Canberra / Snow Camp grew socially and emotionally, taking this great opportunity to strengthen connections between friends as they begin their transition to high school.

They learnt core concepts linked to the curriculum and cemented their friendships. It was a great time for all. Noumea PS would like to acknowledge the Australian Government’s contribution of $20 per student through the PACER program which helped assist in reducing the cost of Stage Three camp.
