Term Four is passing very quickly as we proceed towards end of year celebrations. The preparation of the Graduation ceremonies for Year Six and Kindergarten is well under way and the final touches are being added to the Year Six Farewell. The Presentation Day assembly is also being organised to recognise those students who have improved and worked tirelessly to achieve solid results throughout the year.

The last few weeks have seen many new and excited children attending our Transition to Kindergarten program and their parents attending a variety of workshops while they have a taste of life at school. If you know of any students wishing to enrol for next year ask their parents or carers to contact the office as soon as possible for enrolment papers.

Just a reminder that non-school hats will be phased out this Term, so now is the time to purchase a school hat from the office in preparation for next year.

Kind Regards,
Mrs Sue Finn

THANK YOU!

On Thursday 30 October Stage Four had a fundraiser where students came to school in their favourite sports team colours and/or wearing a crazy wig or a crazy hair style. Students brought in a gold coin donation if they participated in this event. The class that brought in the most money received a “Hot Chip Party” and that class was KM.

The day was a great success and the school raised $285.75 which will go towards the hire of the bus for their excursion to SEA LIFE Sydney Aquarium.

Stage One students and teachers would like to thank all the students for their generosity in participating in this Stage One Fundraiser.
Quick and easy breakfast ideas:
Make sure your child starts every school day with a nutritious breakfast that includes foods from at least two of the five food groups. For example

- wholegrain cereal with reduced-fat milk fruit smoothie
- boiled eggs and toast
- slices of fruit with yoghurt
- raisin toast with sliced banana
- muesli, chopped fruit and yoghurt
- wholemeal crumpets with sliced banana
- grilled cheese and tomato on toast
- tinned baked beans and toast
- porridge, sultanas with reduced-fat milk
- tinned fruit and yoghurt
- rice or noodles with lean meat or vegetables

Why is breakfast important?
- Children who miss breakfast are often reported as having poor behaviour and poor concentration.
- Children who miss breakfast are often unable to meet their daily nutrient requirements.
- Children who miss breakfast are more likely to have a greater risk of being overweight or obese eating breakfast helps children learn and establish healthy eating habits early in life.

YMCA Blackett OSHC
YMCA Blackett OSHC operates at Blackett Public School.

We provide Before and After School Care services for children aged 5-12 years.

We aim to provide a service that encourages children to develop at their own pace, make friends and feel safe, where children are treated as individuals, needs are met and children’s ideas are encouraged.

Please visit our website page for more information or call the Centre Coordinators Graziella who will assist with your inquiries Ph 98354011
