The Term is quickly coming to an end and the teachers are finalising their reports for this Semester. Many of our students will be participating in the upcoming Deadly Arts Performance and the rehearsals will be held here at Noumea in preparation for the performance. The Whole School Assembly has been moved to Thursday 19 June to accommodate the rehearsal and performances in the last week of this Term.

Healthy Harold arrived in his big trailer this week and many of our students will be listening to his advice and learning about the many ways we can live a healthy life. Harold will be here over the course of this and next week and we hope all students can attend these informative lessons.

Our school will be participating in the National Consistent Collection of Data identifying school students with a disability. This data is being collected to enable all governments to best support and resource students with a disability. It will help to promote equity and excellence and enable all students to become successful learners, confident and creative individuals and active and informed citizens.

Those students who may be included will receive a letter for their parents or caregivers to complete regarding the use of their child’s data in this collection. The data is de-identified to ensure privacy is maintained. If you receive a letter and you do not wish for your child to be part of this data collection, please complete the letter indicating your wishes and return it to the office before the end of Term.

Don’t forget to keep collecting for the Walk-a-thon and the upcoming cake stall to support our fundraising for the Year Six farewell.

Mrs Sue Finn
Principal

Cake Stall

On Thursday 12 June 2014 Stage Three will be having a cake stall!

Students are asked to bring in money from as little as 20 cents to $2.00 to purchase a delicious sweet.

All money raised will go towards Stage Three fundraising for their end of year celebrations.
Safe People, Safe Places

From time to time we need to remind our students about “stranger danger”. Please discuss safe people and places with your children at home, to remind them of the importance of travelling safely to and from school.

* Make sure your parents / other responsible adult knows where you are at all times.

* Always walk straight home or to the place you are walking to. Walk near busier roads or paths where there are lots of other people.

* Know where safe places are- shops, service station, police station, school. If you are ever frightened, go to one of these places and ask them to call the police.

* Learn about safe adults that you can look for and talk to if needed- police officers, teachers at school, adults you know and trust.

* Don't talk to people you don't know and never get into a car with a stranger. If a car stops on the side of the road and you don't know the person inside, do not stop.

  • If you are scared and can use a phone, call 000.

From the Canteen

Classroom Attendance Awards Term Two Weeks One to Five

Classroom attendance is monitored daily across all K-6 classes at Noumea Public School. The classes that has the most days where all students in their class are at school or the greatest improvement in their attendance received a Hot Chip Party.

In Term Two for Weeks One to Five the class with excellent attendance was 2T. The class with the greatest improvement in attendance was KP. Well done 2T and KP and congratulations.
