Congratulations on a fabulous Book Parade today. So many beaming students in costumes taken from their favourite books and the teachers costumes were also spectacular. It was wonderful to see our community coming together for such a fun event.

Our Whole School performance is also less than two weeks away and the students and teachers are practising to make this performance a showcase of our talented students. Please support the evening by purchasing tickets from the front office. There will be a sausage sizzle on the night for members of the audience with all funds raised going to the Year Six Farewell.

Stage Three Camp is also fast approaching. Students are reminded to finalise these payments and start preparing for their visit to Canberra. The Itinerary is packed full of prominent attractions in and around Canberra with a visit to the snow. Let’s hope there is plenty of snow but it’s not too cold.

In the last newsletter a reformation of the P & C was discussed and this issue has the Expression of Interest attached. If you are interested in reforming the P&C and becoming a member of the committee could you please complete the expression of interest and return it to the office as soon as possible.

Many Thanks

Mrs Sue Finn
Principal

Expression of Interest

The P & C have an important role within the school, participating in discussions around the learning of the students, policy reform, future directions, fundraising and community concerns.

The function as described in the P & C constitution is to foster community interest in educational matters and try to bring about a closer cooperation between the parents of the school and other members of the community.

There are many roles to be filled in the committee including president, vice president, secretary, treasurer and any other officer decided by the committee.

If you would be interested in participating in the reformation of the P & C at Noumea please complete the Expression of Interest below and return it to the front office.

Kind Regards,
Mrs Sue Finn
