What a wonderful night we had last night at the Whole School Performance. The show was a complete sell out and everyone enjoyed the talent on display at our school.

The day before was our matinee and many parents took the opportunity to attend. From the Aboriginal Dance Group’s welcome, through the Multicultural Dance Group, Choir and to the class acts, all of the students displayed the vast amount of talent we have at our school. Thank you all for supporting the performance and bringing your children out on such a cold night to perform. A lot of work has taken place behind the scenes organising the performances, lighting, chairs, costumes, dances and music so a huge thank you to Mrs Feltham who was the Coordinator, the teachers, the support and office staff, the cleaners, the general assistant, canteen staff and parents who all worked together to make the performances happen. Well done Noumea!

Next Week sees our Stage Three students heading off to camp. Their itinerary looks fantastic and I am sure they will have an exciting and informative time. I hope they have packed some warm clothes and are ready to be here bright and early on Monday for the buses.

Kindergarten is also heading off to the zoo next Thursday. They have been studying a unit of work called “Meeting Needs” which looks at animals and their habitat, food and predators. They are hoping to see as many different animals as possible and in their environments at the zoo.

Many Thanks
Mrs Sue Finn
Principal
